THE VOICE OF THE MARKET

January-February 2014 | worldfinance.com

In this issue:
**WORLD
FINANCE
100**

Puerto Rico's sinking economy

*Like Greece, the island is struggling
to restructure its escalating debt*

Assessing M&A risk and reward

*Corporate takeovers are hardly rife,
but big deals are still going through*

Gaming industry reaches next level

*A new generation of major consoles
look set to boost a booming market*
